

## I'm just a gentle cuddle bug

*Forever Friends Cat Rescue is a nonprofit organization based in Altona. We operate with volunteers, donations, and support from our community. Our mission is to rescue the lost, abandoned, and homeless cats in our community. We are dedicated to the care and wellbeing of our local feral cat population and to help educate the public on the need to spay/neuter pets, the prevention of animal cruelty, and the importance of responsible pet ownership.*

*We are grateful for this opportunity to use this column in a number of ways: featuring cats that are available for adoption, sharing stories of cats that have already passed through our rescue (happy ones and sad ones, because those happen too), announcing fundraising events, and providing educational content.*

**H**ey you, my name is Oakley!

I'm a laid back and gentle cuddle bug. I'm one of those extra sweet kittens that wants to be with you all the time. I absolutely hate it when you don't let me into the bathroom to stare at you. Some people think that's creepy, but I think it shows love. I'm all about the lovin'! I even stick my paw under the door so you know I'm right here waiting for you. One day, when I'm older, I'll figure out how to open that door so I can always be with you.

Speaking about when I'm older, I want to be a plumber when I grow up! I love spending time in the bathroom, trying out the tub and sink. They make great places to nap. The kitchen sink looks like it could use some exploring, too. Those drains are such a mystery! Maybe I'll learn where water comes from. But, before I can become a plumber, I'm going to need to be adopted by a family. Maybe yours? I've already had my vetting, including a 'nooter', whatever that is. At my age, I hardly felt a thing.

I'd like to tell you something that might help me get adopted...I'm ORANGE! Yep, an orange boy cat. I shouldn't have to say any more, right? I heard that orange kitties tend to get adopted fast. So, talk to you real soon. Love you!

*Oakley is an orange, shorthaired male. His birthday is May 30, 2021. He is fully vetted and is a cuddly, shy kitten. Oakley is from our Wood litter and is available for adoption, as are his siblings: Birch, Linden and Teak. For more information, please contact us.
